

## OCTOBER SVPS

Hi All Photo Lovers!

We are having a short time between meetings this month and we are sending an abbreviated Newsletter. Please read below for the information you most need for this Halloween filled month!

1. Please submit your unedited photos to Gerry Cragun at [go@craguns.net](mailto:go@craguns.net) from the short Scavenger Hunt we had at the last meeting. Here is a reminder how to code them:

Circle: 21	Growing: 25
High Angle: 22	Hands: 26
Texture: 23	Letters: 27
Reflective: 24	Diagonal Lines: 28

1. Format is .jpg
2. No longer than 2048 on the longer side
3. Identify with the following format separating each with a dash:  
Photo category (digits above)-Photographer ID (use last 4 digits of driver's license)-  
Photo title (word title from above)

Thursday, October 1 is the deadline to submit. We will share them at our October meeting!

2. Come to the October meeting to also see the photos taken by our members at the Black Hills Summer Field Trip!

3. Our topics this month are: Within One Hundred Feet From Your Back Door (Challenge) and Trains, Planes and Automobiles (Special). Don't forget to enter your creative and open photos also! Please consult a past newsletter on our website if you need help with coding/labeling the photos. This is not judged, it is a "show and tell" so sit back, relax and let the show begin!

4. It is going to be a special October meeting to hear our own member, Murth Murphy speak on Photoshop tips! Don't miss it! It should be a wonderful learning experience for all.

5. Another thing happening: The October meeting is the deadline for your 6 picks in the SUMMER SCAVENGER HUNT photos. Please either email them to Leslie Larson at : [ll.cvc1@gmail.com](mailto:ll.cvc1@gmail.com).

or bring them in on a CD labeled with your name, last 4 digits of your drivers license number and the words 2015 Scavenger Hunt

Also each photo should be:

1. Formatted as jpg
2. No larger than 2048

3. Identify the photos with: the category numbers below -last 4 digits of your drivers license-photo title.jpg

- 01 anomaly/anachronism
- 02 crepuscular/nocturnal
- 03 riparian
- 04 chiaroscuro
- 05 saprophyte/parasite
- 06 diaphanous/gossamer
- 07 roseate/rufous
- 08 avian/apian
- 09 ambiguous
- 10 infestation
- 11 symbiosis
- 12 ephemeral

A lot is happening at St. Vrain Photographic Society this upcoming meeting. Hope to see each and every one of you as a part of it on Monday, October 5<sup>th</sup>.

Sincerely,  
Cindy Payler
